Questionnaire for Registration of Polythene and Plastic Importers /Manufacturers /
Recyclers / Used Polythene and Plastic Collectors

Date: .....

- 1. Name of industry
.....
2. Sector 1. Importer
2. Manufacturer
3. Recycler
4. Collector
5. Other ( Please specify) .....
3. Address
.....
.....
.....
4. Telephone No :.....
5. Local Authority area :.....
6. District :.....
7. Province :.....
8. Contact person :.....
9. Material types of handle :
• PE [ ]
• PP [ ]
• HDPE [ ]
• LDPE [ ]
• PVC [ ]
• PU [ ]
• Other (Please Specify [ ]

**10. To be filled by Importer**

- i. Type of Imports
  - Recycled : .....
  - Virgin : .....
- ii. Quantity of Importation
  - Per month : .....
  - Per annum : .....
- iii. Importing country/countries : .....
- iv. Consignee : .....
- v. Source of generation of raw materials : .....
- vi. Purpose of importation (please tick in the relevant cage)
  - Industrial activity : Yes  No
  - Sell to other industry: Yes  No
  - For exportation : Yes  No
  - Other (Please specify) :  
.....
- vii. If the importer is engaged in industrial activities
  - Explain type of industry/ product.....  
.....  
.....
  - Raw materials used .....
  - Chemicals used in the process.....  
.....  
.....
- viii. If the importer is engaged in selling
- ix. Storage availability (Yes /No).....
- x. Capacity of Storage .....
- xi. Arrangement of security and emergency procedures in Storage.....  
.....  
.....

- xii. Details of buyers  
.....  
.....  
.....  
.....
- xiii. Types and Quantity of waste generated
  - Solid waste : .....
  - Liquid : .....
  - Hazardous : .....
- xiv. Waste management methods (disposal or recovery)  
.....  
.....
- xv. Descriptions of the waste treatment process (if available)  
.....  
.....
- xvi. Available license .....

***11.To be filled by Manufacture***

- i. Industrial Activity : .....
- ii. Items of Manufacturing : .....
- .....
- iii. Capacity of Manufacturing ( Per day/ Per month ) :  
.....
- iv. Raw materials ( Mentioned in (09) ) usage ( Per day/ Per month ) : .....
- v. Types and Quantity of waste generated
  - Solid waste : .....
  - Liquid : .....
  - Hazardous : .....

- vi. Methods of Waste management ( disposal or recovery) :.....  
.....  
.....
- vii. Type of the waste treatment facility ( if available) : .....
- viii. Have your industry followed any procedure for Extended Producer Responsibility ( EPR) on your products :  
.....

**12. To be filled by Recycle**

- i. Location of the recycling facility : .....
- ii. Method used in the recycling process :.....  
.....
- iii. Types of recycling materials :.....  
.....
- iv. Capacity of the recycling facility ( Per day / Per month) :  
.....
- v. Source of collecting recycling materials : .....
- vi. End products of recycling :.....
- vii. Final destination of the end products of recycling
  - Industrial activity : Yes  No
  - Sell to other industry: Yes  No
  - For exportation : Yes  No
  - Other (Please specify) :  
.....
- viii. Types and Quantity of waste generated
  - Solid waste : .....
  - Liquid : .....
  - Hazardous : .....
- ix. Methods of Waste management ( disposal or recovery) :.....

.....  
.....  
x. Type of the waste treatment facility ( if available) : .....

**13. To be filled by Collectors**

i. Location of the collection site : .....

ii. Source of collection : .....

iii. Collecting waste types : .....

iv. Capacity of the storage facility ( if available) : .....

v. Collecting area

- Island wide
- Provincial
- Districts
- Local Authority level
- Grama Niladari Division level

vi. Types and Quantity of waste generated

- Solid waste : .....
- Liquid : .....
- Hazardous : .....

vii. Methods of Waste management ( disposal or recovery)

.....  
.....

viii. Type of the waste treatment facility ( if available) : .....

.....
