

**Application for submit proposals to import of raw materials studied in the
list B of the Basel Convention
Basel Technical Committee – Central Environmental Authority**

1 Importer name:

2 Industry name and address:

.....

T.Phone No:

Fax No:

Contact person

Name

Designation:.....

Phone No: *Fax No:*.....

Mobile No:..... *Email :*

3 Location of the Project

- i Address:.....
- ii Pradeshiya Sabha:
- iii Divisional Secretariat:
- iv District
- v Provincial Council
- vi BOI or non BOI (if BOI please specify the category)
- vii BOI zone (If applicable).....
- Viii **location map indicating the project site, access to the site, surrounding development and infrastructure: (Please attach)**

4 Details of the materials intended to be imported

4.1 Raw materials proposed to be imported:

4.2 Sample / Photo graph of raw material:

4.3 Country of origin and source of materials:

County:

Source:

4.4 Basel convention Annex No: List A/B No:

- 4.5 **Quantity of Materials /Flakes intended to be imported: (Please indicate per month)**
- 4.6 **Quantity of Materials/Flakes intended to be purchase locally: (Please indicate per month)**
- 4.7 **Process flow chart and material balance. (Please attach):**
- 4.8 **Details of waste arising from the process & disposal mechanism (Please attach):**
- 4.9 **Analytical report** obtained from an accredited laboratory to ensure the toxicity and cleanliness of the material.
- 4.10 Any other relevant documents.

5. **For existing industries**

- A copy of the valid Environmental Protection License
- Raw materials being used in the industry other than the material intended to be import: (State item wise quantity/month)
- Process flow chart and material balance in existing industry/activity (Please attach):
- List of main manufactured products and capacities:
- List of by products:
- Type of waste generated:
- Methods of disposal of waste:
